Being a fresh faced graduate from the University of Edinburgh's Performance Costume course, I am eager to take my first steps into a costume maker's career. I am always willing to work hard, have an ability to take on new skills quickly, will fit in anywhere, and I'm happy to take on responsibility.

CONTACT

2018 - 2023

Performance Costume BA (Hons)
University of Edinburgh

During this course I gained knowledge and insight from industry professionals, learning valuable skills and accessed industry machinery and workroom environments across a number of projects

EDUCATION

Pattern Cutting
CAD
Industrial machines
Corsetry
Fabric Manipulation
Historical Costume

Costume Breakdown
Printing Textiles
Puppetry
Embellishment
Tutu Making
Metalwork

Through my voluntary work with the Scouting Association (10+ years service) I have gained a number relevant skills such as strategic planning, time and project management and people skills, keep control of certain situations and work well under pressure.

I gained my driving license in 2018
